

Department of Neurophysiotherapy

Departmental posting schedule for 3rd BPTd (2012 Batch)

Posting duration 18 days

Posting Date- 8th Feb to 28th Feb, 2026

Day	Topic	Mode of Learning
Day 1	Higher Mental Function Assessment – Introduction	Demonstration + guided practice
Day 2	Glasgow Coma Scale (GCS) for unconsciousness	Demonstration + practice
Day 3	Glasgow Coma Scale – Clinical scenario discussion	Case-based learning
Day 4	Mini-Mental Status Examination (MMSE)	Demonstration + practice
Day 5	MMSE – Clinical scenario discussion	Case-based learning
Day 6	Montreal Cognitive Assessment (MoCA)	Demonstration + practice
Day 7	MoCA – Clinical scenario discussion	Case-based learning
Day 8	Perception Tests (Clock Drawing Test, etc.)	Demonstration + practice
Day 9	Perception Tests – Clinical scenario discussion	Case-based learning
Day 10	Cranial Nerve Assessment (CN I–XII)	Demonstration + practice
Day 11	Cranial Nerve Assessment – Clinical scenario discussion	Case-based learning
Day 12	Sensory Examination (UMN & LMN lesions)	Demonstration + practice
Day 13	Sensory Examination – Clinical scenario discussion	Case-based learning
Day 14	ROM of all joints + Muscle Tightness Assessment	Demonstration + practice
Day 15	MMT of each anatomical part + Tone (Modified Ashworth Scale)	Demonstration + practice
Day 16	Coordination (Upper & Lower Limb) + Balance Assessment	Demonstration + practice
Day 17	Gait Assessment	Demonstration + practice + case discussion
Day 18	Functional Assessment (ADLs, mobility, independence scales)	Demonstration + practice + case discussion
